Drive in movie night for quads/golf carts

We haven't be able to participate in most of the events yet so we are not sick of the current ones. However we are also fine if you change them up

I think it is lot of work for the social club to put on so many activities so I would reduce them and rotate them

No more than one event a month

Only because I do not golf but if there was a dinner or fire afterwards I would like to attend. I think if there are prizes for golfers it should be open to those who don't/can't golf

Would you like to see a "Kids Day" where the kids decide on what activities are done and the older kids run it (a few parents will just supervise).

Answered: 27 Skipped: 0

Comments

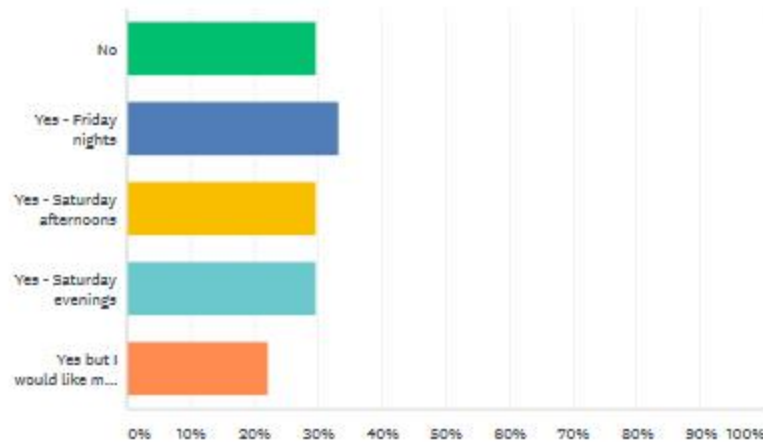

Yes! Great way for children to meet each other and work together on something that would excite them and give them ownership.

Not sure

We don't have any kids but think it would be fun for those who do.

Darts - Would you be interested in playing darts on Friday or Saturday evening? (When the hall is not pre-booked) You may select more than one day.

Yes. It is too bad that the hall is locked all the time so we can't just play darts when we would like to.

Love the idea of opening the hall to darts. Maybe switch between Friday and Saturday and have a schedule so people know in advance when the hall will be open for these events. Could also have a sports viewing party example watching football/hockey in the hall

Would you like to see a Frizbee golf course set up in the front common area? This is a great family game. The golf "hole" apparatus is temporary and easily moved to accommodate mowing the grass.

Disc golf is also meant to be played in the trees, the course should go through the wooded area west of the pond

Not sure, never played. But not opposed to the idea

I really don't mind, I wouldn't be interested but if other people are then my vote shouldn't count against it.

Yes, as long as there are no permanent structures.

Only because I would not use it but no opposed if it will be used by others

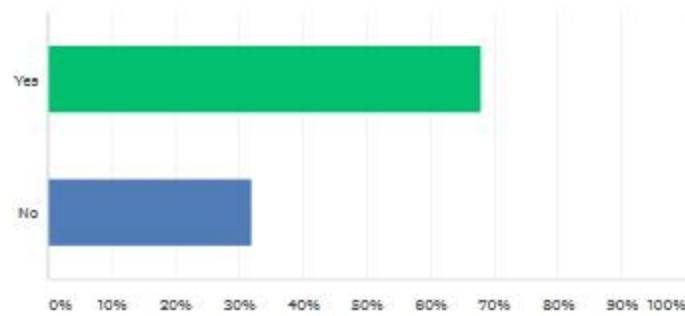

No strong opinion

The Sundre Pro Rodeo will celebrate its 40th Anniversary in 2019. Do you think we, as a community, should enter a float to support them? This would NOT be just a Social Club endeavor, we would like everyone to participate.

Do you have any questions or suggestions for the Social Club?

Answered: 14 Skipped: 13

Comments

I think the social club has done a fantastic job putting on the events this past year.

Nope. You are doing a great job

When holding a 50/50 draw make sure the tickets are the same colour & same size!

You are all doing an amazing job. Not sure how much this all cost so wondering if there could be a budget up date at least once a year. It would be nice to know how much money is coming in and then more details on how the money is being spent ie on food, gifts etc

Thank you for all the effort you put in through the year. It is much appreciated.

Keep up the good work!

You guys are awesome - thanks for all the work you do.

Some new activities to consider:

- 1) Picnic in the Park
- 2) Drive-in Movie
- 3) Saturday Happy Hour - (Social Committee supplies snacks & then BYOB)
- 4) Poker Rally (Walking with drinks)
- 5) Dinner Hike through the park (Different dinner courses with wine pairings, Paid by attendees)
- 6) Wine & Cheese

We are having a blast thank you for all the hard work
