

A Tribute to Mom

*We couldn't begin to count the times
She tolerated our moods,
Consoled our heartbreaks and disappointments,
Endured our ups and downs,
Listened to words confused by tears
And just simply understood
For no other reason than
Because she loved us.
The years hold precious memories,
But most of all they hold growth.
In a way, we grew up together ...
Mom is our definition of a special person ...
Fantastic ... exceptional ... unique ... enduring!
She filled our lives with happiness
And sweet feelings that we will
Carry in our hearts forever.*
